What are words? You could say words are nothing short of a crossword puzzle without the clues. Wordscapes, published by PeopleFun, is more than that, though! A big difference is that you can't just throw away any old letters in any old order on the board. Instead, Wordscapes presents players with a wheel of blank letters and value connected to each other in crossword form. Fill in the blanks with letters. It's that simple! Well, no, I don't think so. If it really was that simple, it wouldn't be fun. And it won't be a big challenge. Instead, Wordscapes requires hard lateral thinking and a growing vocabulary. Like a crossword puzzle, Wordscapes requires you to provide specific words to match specific blanks on the board. Unlike a crossword puzzle, there are no clues to guide you. Therefore, there is a clear sense of trial and error here as you try to find all the words that may match these spaces for each Wordscapes level. How to play Natural Wordscapes, the first thing you will need to do to play Wordscapes is to get the game itself. The main game Wordscapes and Wordscapes bloom (which is the same game with different background images) are both available for Google Android and Apple iOS devices. Find them in the Google Play Store and apple app store, respectively. Many people play Wordscapes every day on their mobile devices. But, did you know you can play Wordscapes on your computer too? But, before you jump straight to the full Wordscapes cheat list, you might want to let it go yourself. Here are some great Wordscapes tips for pwning even the most detested puzzles in the popular pun. Go big, go homePlay for the longest word first. Like a crossword puzzle, often the longer a word, the more it jumps to the other words. With any luck, you can work on an all-out puzzle in one big play. Leverage this essay to your advantage. Slow down, time, control! If a single word doesn't work, try plural. If a plural word doesn't work, try a single one. Even when the unique word works, always try plural if you have an S. Also with the tyrannical. Could be glasses, just like hats can be a hat. And if a verb doesn't work, see if you can swipe at -ed, -ing, or -s. BEND may also yield bending, bending, or bending. Go crazy with any complications, not entirely crazy. Don't draw on a bunch of people and get your phone closer to O! nerds of words. But, try absolutely every possible combination you can think of. If you know you need a 3-letter word that starts with C, it's a good idea to try any mix-motion-routing combo you can find. Then, also try combos of incendiary-squashing motions, like CRY. Anything that even remotely looks like a valid word (and even if it doesn't) is worth a try. Keep in mind that every real word is worth a coin, even if it doesn't fit the puzzle. Play all wordscapes answers for maximum currency! Winning Wordscapes tournaments Swinging (or swipe!) things and ready to face the next challenge?
